Dear friends,

Thank you for your presence at the training dates, I hope you understand now why we had to go through it..

Attached, please find the program of the race. Last important points;

- 1) Pay attention to eventual traffic problem and come in time and in team in order to avoid a disqualification.
- 2) You can invite 6 other colleagues or partners; we will keep a quota log of guests per hotel. If you wish to invite more let us know in advance.
- 3) Please, do not try to change the ID of the drivers at the last minute.
- 4) Read again the race rules before you arrive there.
- 5) You will be seated all around the race track dress warmly.
- 6) Remember that there is a price for the best supporting team.. So let your supporter show us loudly how much they really want your team to win.
